

DRONI 2025 WRAPPED

January & February

Youth Association DRONI
for and with young people

During the last two months, many things happened. A lot of workshops were made about many different topics. Some about activism and European values, and some to improve your own creativity. An International Meet & Greet took place in Tbilisi, organised by volunteers.

The volunteers also went to Gori for the Eurobus project. There was an international project in Spain, "Boost Your Impact", about the exploration of the potential of social media.

Workshops

Remembrance, January 23rd

Through some interactive activities, the participants learned about collective memory and the remembrance culture.

MEET UP On Wheels: Road Trip Across the Caucasus

The Eurobus project is a project that has the purpose to empower and connect young people. This project takes place all around the Caucasus. In Georgia, in Armenia and in Azerbaijan. With interactive workshops, we disseminate information on European opportunities.

MEET UP On Wheels: Road Trip Across the Caucasus

It's a regional collaboration to support youth-led initiatives and the access to educational and professional resources.

We already did this project two times. The first one was in Ponichala's Youth Center. The second one was in Gori. It was really rewarding. We want to continue our momentum.

International Project: "Boost Your Impact"

From 6th to 14th February, a project called « Boost Your Impact » took place in Spain. The topic of this project was about having an impact in society through social media. The participants explored this topic with interactive workshops and discussions about the positive and negative effects of social media.

International Project: "Boost Your Impact"

They learn about the use of their cyber voice on social media, how to balance real and online life, how to spot a fake news and how protect themselves from misinformations. On the last day they had to present a video that they made, about one of the social media issues. It was a great opportunity to learn new skills and develop their knowledge about social media's impact.

DRONI 2025 WRAPPED

All those activities will continue. We really hope you enjoy it! You can join whenever you want and you can also create workshops and join our team.

••• Note: From now on, we will stop publishing this kind of newsletter and instead have “DRONI Wrapped” as posts on our website - stay tuned!
