Activities by our ESC volunteer's

For 1 month our volunteers managed to organize various activities. We would like to share some of them with you:

On July 14, our volunteers from Sweden visited the Ponichala Youth Center. participants created drawings on the topic of recycling.

In addition, participants had the opportunity to learn about Swedish culture and hear information on waste recycling and the environment.

**July 15, at
Droni's office,
our ESC
volunteers
hosted a Swedish
evening.**

July 15, at Droni's office, our ESC volunteers hosted a Swedish evening. The meeting was divided into two parts. In the first part we had the opportunity to get acquainted with Swedish culture, and in the second part we also tasted Swedish dishes.

International Projects- Youth Exchange

5 Georgian youngsters from Youth Association "Droni participated in the youth exchange, "Euro and the Union", which was held in Bansko, Bulgaria during 10-18th July 2021. The project was implemented by Alternativi International. Elene Abramidze, one of the participants in the project, tells us more about the project

I will never stop saying that this experience was awesome because it gave me the most valuable things - new knowledge and unforgettable emotions. We were spending our free time together and while studying we were discussing the current challenges of the EU in each country and opinions related to the main problem. In addition to studying, we also had the opportunity to absorb the culture of the foreign countries, try the national cuisine and learn the most interesting facts.

Youth Exchange in Kobuleti

Youth exchange was held in the seaside city of Kobuleti within the framework of Erasmus + project "cities of youth". Young people participated from Georgia, Armenia, Ukraine, Czech Republic and Croatia. Topics were: teamwork, tourism, entrepreneurship. In addition, the teams had the opportunity to present a business project. We remind you that "cities of youth" is a long-term project, the main purpose of which is to increase the role of young people in the development of tourism infrastructure.

Beginners Guide Sweden

Language Trainers for international volunteers

Our Italian and Swedish volunteers created a beginners' guide to Italy and Swedish, which allows us to learn about Italy and Swedish culture and geography. Also, you will get the opportunity to learn the words and grammar that will definitely help you.

Cleaning Event- Dendro Dalageba

On the 31st of July at 16:00, Youth Association DRONI together with the "Zero effect" and "Parki Ar Minda" were hosting a nature cleaning event in Dendrological Park, Tbilisi Sea area. After the cleaning event, we were able to spend time interestingly with the background of picnics, fun music and games.

We started a new campaign in the droni's office. Started sorting the waste. You can bring: aluminum jars, plastic waste and paper.

Join us and take care of the environment together.

**Enjoy your
summer !!!**

Wish you to have best August , stay with
us and have fun!
